Let's Lose Loose Change Vocabulary

abolish, micro-payment, legacy, convenient,
cryptography, impregnably, schemes, array, lull,
benign

abolish

Abolish means to formally put an end to a system, practice, or institution

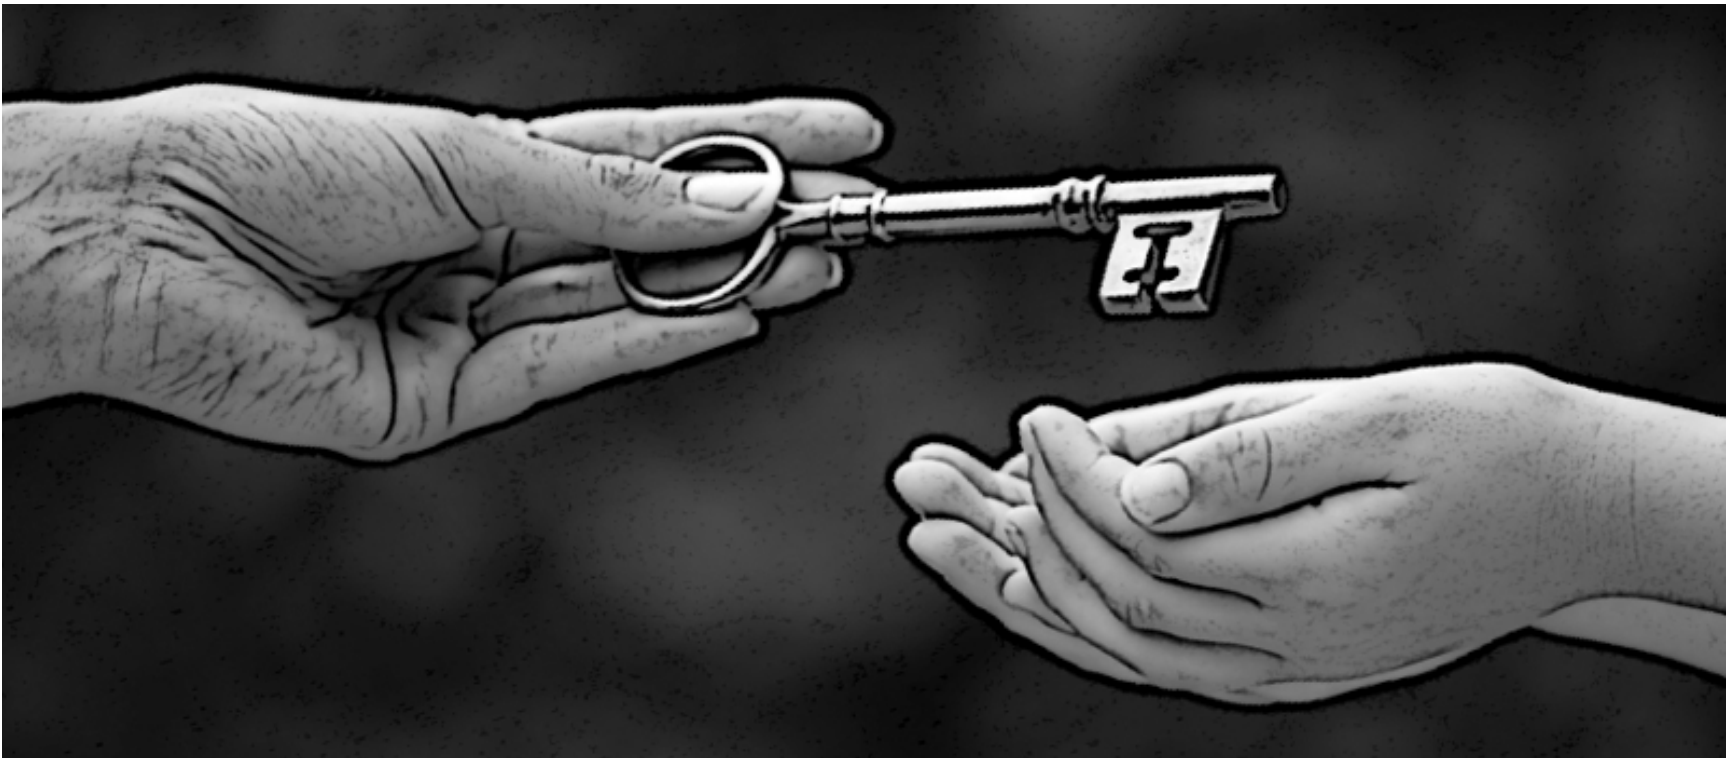

AM I NOT A MAN AND A BROTHER?

micro-payment

A micropayment is a small transaction, often carried out online, that can be as small as a fraction of a cent. It could be defined as any transaction size less than $1.00, $5.00, or more

legacy

Legacy is an amount of money or property left to someone in a will.

convenient

Convenient means fitting in well with a person's needs, activities, and plans.

cryptography

Cryptography is the art of writing or solving codes.

impregnable

Impregnable means of a fortified position; in other words, the position or building is unable to be captured or broken into.

scheme

A scheme is a large-scale systematic plan or arrangement for attaining a particular object or putting a particular idea into effect. You could have a business scheme, a colour scheme, and/or a rhyme scheme

Array

an arrangement of a set of numbers or objects in rows and columns

array

To array is to display or arrange (things) in a particular way.

lull

Lull is calm or send to sleep, typically with soothing sounds or movements.

benign

Benign means gentle and kindly; when relating to a disease, it means not harmful in effect
